TEMPLE FORK OUTFITTERS, CANADA

Rod Service Form

PLEASE READ THE INFORMATION BELOW PRIOR TO SENDING YOUR ROD IN FOR SERVICE.

Simply send the **entire rod** to our address in Calgary. Yes, you must send in your entire rod as we need to properly fit the new section(s) to your rod. Once it arrives, we will re-fit your rod and inspect the remainder for any additional damage or wear.

Print this form and be sure to include all of your return shipping/daytime contact information so we can contact you for a credit card number. Fees are per rod section (see below) plus applicable taxes.

Failure to include the proper return shipping information may result in delays and in additional fees. *It is not advised to send personal rod tubes, rod/reel carriers or any other personal items with your rod, we are not liable for the safe return of those items. We recommend using a carrier that provides tracking information in case of a problem. Please send your entire rod (insured) in the original rod tube you purchased with the rod or in an appropriate & secure tube to avoid any damage during shipping.
PLEASE NOTE: TFO CANADA does not offer warranty or broken rod service for TFO rod blanks or custom built rods, this service is only for factory built rods purchased in CANADA.
